Toolbox	✓	✓

▶ EXCEPTIONAL DURABILITY

The lightweight polymer canopy protects your machine no matter the environment you work in. Rigorously tested at roughest conditions, it will always protect the heart of your machine, no matter whether you work on a mountaintop or in the desert.

▶ COMPACT PACKAGE

The machine offers high performance in a compact package. With moderate dimensions and a powerful Kubota engine it is ready to tackle any job. It can be equipped with a variety of features, such as fixed-height running gear, a toolbox, or spark arrestors, ensuring the machine will not let you down on any occasion.
